

FREE in Dodge

the Judges of Dodge County and the District Attorney to create a Veterans Court for Dodge County citizens. In addition, I would like to work with various agencies of Dodge County in creating a Diversion Program for first time drug offenses.

Mark J. Colker For Dodge County Sheriff....24 years of experience, but only 17 yrs on your resume! I find it amusing that you left off the years you were employed by the Waupun Police Department or why you were fired from the WPD!

Mark J. Colker For Dodge County Sheriff Author

Travis Schultz Good Morning Travis, I have disclosed all of my work experience many times across several platforms, but I can give them to you again. Milwaukee County Sheriff's Office 1997-2001 Deputy Sheriff, Waupun Police Department 2001-2002, Private Business Owner 2002-2003, Winnebago County Sheriff's Office 2003 to present.

I can assure you that I was not fired from WPD. I can meet with you anywhere and provide all the paperwork that supports that if you wish. If you do not want to do that you can put in an open records request with the WPD or Contact the current Sheriff of Dodge County, Dale Schmidt, and he can provide them to you since he has already completed an open records request asking for that information and my disciplinary records while employed at WPD.

I did not contest the release of any of the information and it has all been released to him already. I am happy to speak to you anytime you can contact me by Facebook messenger, email, or phone.
